

Philipp Wisser studied jazz guitar, composition and sound engineering at the Folkwang University of the Arts, at the Institute for Music and Media in Düsseldorf and with a scholarship at the Berklee College of Music in Boston. As a guitarist, composer and band leader, he released his debut album “Just a Glimpse” in 2021 on JazzSick Records. The album, which was praised by many critics, makes the first mark on the national scene and represents a playful, dynamic and experimental band that dares to strike a balancing act between tradition and modernity.

*“It fills me with so much joy and pride to hold Philipp Wisser's debut album “Just a Glimpse” in my hands! I was lucky enough to be able to accompany him as a mentor for a few years and I consider Philipp to be one of the most creative young voices in Germany, both in terms of playing and composition. So nice to be able to welcome him to the scene as a colleague!” (Philipp van Endert, January 2021)*
